

Welcome to La Maison Gasconne, we have a working partnership with a long established and well regarded french estate agency in the Gers department in France and have the benefit of having access to available quality properties immediately.

We specialise in selling a wide range of quality properties and our aim is to find residential property for our clients who are looking for a property in Gascony south west France. On our site you will find a selection of houses for all tastes including village houses, country houses, farmhouses, stone houses to renovate, barn conversions, manor houses and chateaux. Our property portfolio covers the Gers department and in particular Castera Verduzan Condom, Vic Fezensac, Lectoure, Eauze and Auch.

We are a bilingual team based in the lively spa town of Castera Verduzan. Our comprehensive service removes problems when dealing with the complications of the French legal system, eliminates any language barrier difficulties, and makes the buying process as easy as possible for our clients. Whether you are looking to sell or buy we offer a personal service, providing support and advice based on our professional and local knowledge.
